| HOW YOU FOUND OUT ABOUT THE EVENT (EMAIL, PHONE CALL SOCIAL MEDIA) | |

KINDLY KEEP YOUR SUBMISSION AS SUCCINCT AND HIGH-LEVEL AS-, AND WHERE POSSIBLE

TEAM MOTIVATION TO WIN THE CHALLENGE

Write a short motivation (approx. 100words) on why your team deserves to win the challenge, and if you do, how you would use the resources given in the programme to take your project to the next level.

THE SUBMISSION INFORMATION

a. The context of the problem you are trying to solve

Location, current events, the importance of solving it.

b. What your solution is

Describe your solution in as much detail as possible, including:

- Purpose of your proposal
- How it works
- Resources needed for project to work; including relevant costing and partners
- How it will support the mining industry
- Possible timelines
- End users / beneficiaries of the solution
- Income for the solution

- How the solution is sustainable

c. What makes it innovative?

How was innovation used to create or optimise this proposal? What makes this idea better than others, and how does the team plan to ensure it remains relevant post implementation.

Supporting documents

These are optional, should you want to include images/ sketches/ studies/ business cases or other documents in your proposal.

Who can enter? What can you win? – subject to the nature and requirements outlined in your submission

| Category | Who can enter | Prize | |
|----------|--------------------|---|--|
| 1 | NGO's and Research | <u>R100 000 grant funding</u> <ul style="list-style-type: none"> • To develop innovation or further research | Access to unique multi-spectrum satellite imagery databases from SANSA and DigitalGlobe |
